	<input type="checkbox"/> Wet	<input type="checkbox"/> Manual Wet	<input type="checkbox"/> Manual Dry	<input type="checkbox"/> Semiautomatic Dry	

Applicant is required to submit, three sets each of: Plans, hydraulic calculations, water supply tests, specifications, etc., as required for review. Plans are to conform to the requirements of The 2009 IFC and NFPA 13 for submittals. (The requirements of NFPA 12, 14 and 20 when applicable) Plans may require to be sealed by a registered PA PE or signed by NICET System Layout Certified Level III reviewer. The Township reserves the right to require a third party review at the applicant's expense.

Indicate proposed work
